

# VILLAGE OF FLEISCHMANN'S

## LIFEGUARD – SUMMER 2021

Village of Fleischmann's does not discriminate and is an Equal Opportunity Employer.

### Morning setup

- Arrive 15 minutes before pool opening
- Remove overnight cover from pool
- Restock bathroom supplies
- Review changing rooms and bathrooms for cleanliness and remedy as necessary
- Check chemical levels in pool/remedy as necessary
- Review phone messages for any instructions
- Contact village office to report any issues and status of opening.

### Lifeguarding:

- Watch swimmers and be respond ready.
- Be aware of safety concerns on pool deck and in the water.
- Enforce Pool Rules.
- Prevent emergencies from occurring.
- Cleanliness/Sanitizing:
  - Communicate with Sanitizing guard if assistance is needed.
  - Ensure pool deck area is clean at all times (washing down any tracked in dirt, ensuring no street shoes are worn, etc)
  - For any after-hours events, ensure bathrooms and lobby area are clean and tidy. (Building cleaning would have been completed already.)
- At the End of Each Shift:
  - Clean pool area (sanitize pool deck, all high touch areas, take out trash if needed, and the deck should be hosed down.)
  - Check-in with Manager on Duty before leaving.

### Other duties

- As assigned by Pool Administrator
- On days of inclement weather when pool is closed, lifeguard may be assigned to other village duties.

### Employment:
